

Get the Relief You Need

This is all you need to do to secure the operator you need to your site!

1

Email Your Brief

Tell us about your site, who you need, how long for and the roster they will work.

2

Proposal & Sign Off

We provide you a proposal for sign off, then just provide a purchase order; we then commence the selection process. We will typically spend anywhere for a day to week to find the right operator from our pool to match your brief.

3

Preparing Candidate

S&B prepare the selected candidate over 1-2 days, gear him up with PPE & ensure he is briefed on your site.

4

Operator Deploys

Operator deploys to your site! S&B Operations Manager follows up and if you need to make a change to roster, longer duration they can assist.
