Relief Services

Simmonds & Bristow have been a licensed Labour Hire Provider in Queensland since 2018, helping you provide water and wastewater treatment operations in times of need. Our experienced relief operators are expertly trained to deliver quality services to our communities.

We are proud to be registered as a labour hire provider under the Labour Hire Licensing Act 2017 (QLD) (License LHL-02237-P3R5M) and we are pleased to be able to provide you with the support that you need.

About Simmonds & Bristow

As the specialist in regional and remote water, Simmonds & Bristow is passionate about using science, engineering and technology to provide practical water solutions that improve life in regional and remote locations. From catchment to cup and back again, as your partner, Simmonds & Bristow has expertise you can rely on.

Relief Plant Operator

Simmonds & Bristow provide relief plant operators to assist you with your water and sewage treatment systems. Each relief operator will possess a combination of qualifications, experience and skills that meet or exceed the requirements of a client's brief.

A relief operator can be deployed to cover:

- Maternity/Paternity Leave
- School Holidays
- Extended Sick Leave
- Long Service Leave
- Staff Departures

We can also provide backup to your team when they need an extra operator during events and maintenance programs.

Service comes with the full protection of our Queensland Labour Hire Licence to comply with your legal obligations and provide you with peace of mind.

Pricing is based on hourly rates and includes on-call, call-out, and overtime. Pricing is commensurate with the level of support and experience you need: Helping Hand, Experienced Operator, Intensive Support, Plant Operations Manager, Field Services Technicians.
